Venue of the General Assembly

Conference dinner – Thursday, 9 June

The venue of the conference dinner is the restaurant **Top-Lokal** (Fleischmarkt 18, 1010 Wien), that is within an 8-minute walking distance from the Urania.

The restaurant was chosen as the dinner venue due to its socio-economic background, which seems to be an appropriate setting for the EBSN conference: the aim of the Top-Lokal is to enable long-term job seekers to re-enter the regular labour market with the help of transit jobs in the hospitality industry through professional qualification in theory and practice. One of their most important principles is the appreciation and recognition of the knowledge and experience of each individual. The project is funded by the labour market service (AMS).

Lunch on Friday:

The venue of the lunch on Friday is the restaurant **12 Apostelkeller** (Sonnenfelsgasse 3, 1010 Wien), that is within an 11-minute walking distance from the Urania. The restaurant is traditional in terms of both cuisine and historical setting.
