

From conference into practice

How to do so?

Prof. Dr. Maurice de Greef

Problems of PIAAC?

2. Brainstorm about question 1

What is the biggest concern based on the PIAAC results for your country?

3. Write down joint answer on question 1

What is the biggest concern based on the PIAAC results for your country?

The Eureka moment!

4. Brainstorm about question 2

**What is the best thing you heard
or learned during this conference,
which is interesting to tackle your
concern based on the PIAAC
results?**

5. Write down answer on question 2

**What is the best thing you heard
or learned during this conference,
which is interesting to tackle your
concern based on the PIAAC**

Interesting message which can work

© Gerd Altmann

6. Brainstorm about question 3

What is the most interesting message you heard during panel 2, which is interesting to tackle your concern based on the PIAAC results?

7. Write down answer on question 3

What is the most interesting message you heard during panel 2, which is interesting to tackle your concern based on the PIAAC results?

Country

8. Brainstorm about question 4

What is based on the take away from the conference and message of the panel the best step you can do at home to tackle your biggest concern based on the PIAAC results for your country?

9. Write down answer on question 4

What is based on the take away from the conference and message of the panel the best step you can do at home to tackle your biggest concern based on the PIAAC results for your country?

**Hopefully this will be the result by
implementing this**
