

# Schoolproject Ligo Brusselleer

Lies Vanobbergen en Ine Meersman

19 juni 2025

# Ligo Brusselleer= Adult Basic Education Centre (Dutch speaking)

**Core task = Improving Adult Literacy**

# Domains

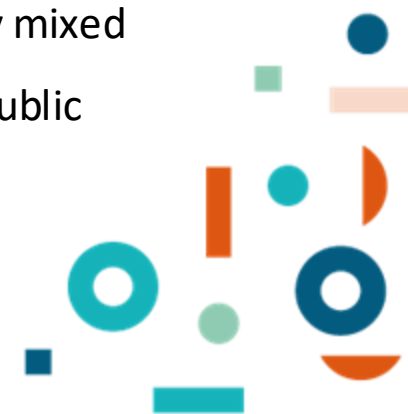

1. Dutch Second Language
2. Dutch literacy (second language)
3. Dutch mother-tongue
4. IT
5. Maths
6. Social orientation
- 7. Parents - family literacy**
8. Languages (French, English)
9. Language and literacy coaching on the workfloor

## Schoolproject

- Classes for parents in Dutch-speaking primary schools
- Since 1998 - every school year about 30 schools
- Focus on supporting parents in the school career of their children + helping teachers to deal with a very mixed (and low skilled) public

# Parent group and WiK

Once a week for about 3 hours

Interested parents from all over the school work with the teachers of Ligo on various content such as communication, language stimulation, education, ICT, ...

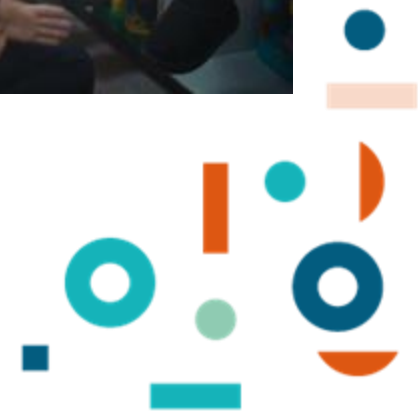

Once a week for about 30 min

Parents of children between 2.5 and 6 years old are welcome for a parent-child activity in their child's classroom
